Dear Parent/Guardian:

I am pleased to inform you that we will be having a Pre-K STEAM (Science, Technology, Engineering, Arts and Mathematics) Academy after school. The Academy will begin in **January, 2023** and will continue through **June, 2023** and will operate on **Tuesdays** and **Thursdays** from **3:45p.m. to 4:45 p.m.** During this time, the students will engage in activities that will build early skills in STEAM. In addition, students will be served a snack during the program and transportation will be provided. Space is limited and students will be selected on a 'first come, first served basis'. This is a wonderful opportunity for your child and should not be missed. Please complete the form below and return it to your child's teacher, as soon as possible. I look forward to hearing from you.

Sincerely,
