

# Wanted Tongue

**Prefer not to be pierced**  
**Will not be accepted !!!!**

**The tongue is so important need one a.s.a.p. Is the most important part in body. Helps to taste, And enjoy the finer things in life. They also call it the frenchy French kiss .Its located in the mouth helps use to break down food chemically with saliva and enzymes. The tongues work really well with the nervous system help decipher all the different types of taste and theirs over 10,000 and counting.**
